## Maron Steel Supplies Malaysia

I am pleased to introduce Maron Steel Supplies Malaysia, the new representative office of the Maron Steel Group, headquartered in Zevenbergen, near Rotterdam in The Netherlands. We serve the material requirements of the International Oil & Gas, Petrochemical and Power Generation Industries.

We specialize in sourcing hard-to-find materials and understand that urgent requirements not only need priority delivery, but also require a prompt quotation. Offering source-to-delivery logistics and ensuring that all documentation requirements are adhered to, Maron Steel Supplies Malaysia is your partner for all of your material requirements, no matter how big or small.

With our presence now established in Malaysia, you can be sure of quick turnaround on enquiries and enhanced knowledge of the local factors affecting your material supply.

Maron Steel is committed to the implementation of quality management systems, certified to ISO 9001:2008.

We hope to be able to exceed your expectations on price, delivery and service. Our Malaysia contact details are below, we look forward to hearing from you.
